

Optional Extras

"Take your event to the next level!"

High quality speakers

For optimal sound quality and to ensure your guests enjoy clear, powerful audio, we recommend the **2x EV Evolve 50 Column Speakers**. These speakers provide enhanced bass and superior sound clarity, making them ideal for larger events.

Strongly recommended for events with over 100 guests:

- Weddings
- Corporate events
- School balls

\$220

Lighting

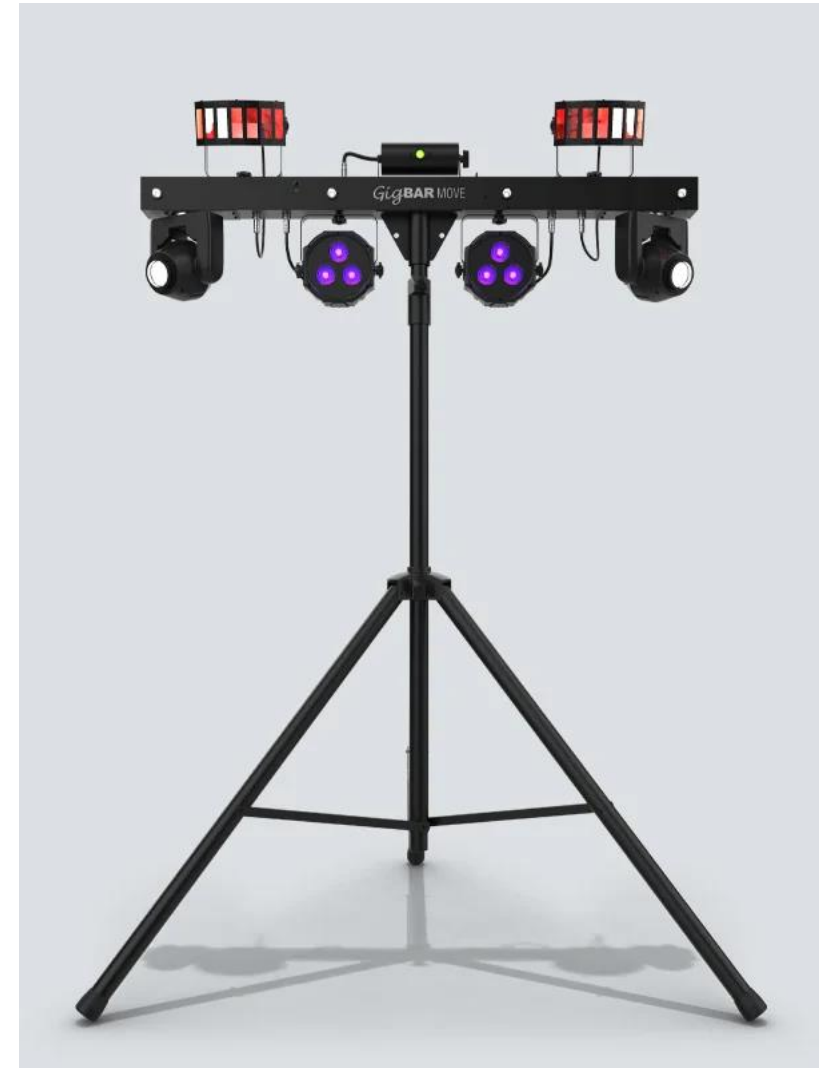

For events looking to elevate the atmosphere, we highly recommend the **Sound Activated Lighting Upgrade**. This system creates a complete light show with moving heads, synchronised to the music for a dynamic visual experience.

Features:

- Sound-activated lighting for seamless integration with the beats
- Moving head lights that create stunning patterns and effects
- Perfect for larger dance floors (100+ guests)
- Takes your event to the next level with vibrant and engaging visuals

\$150

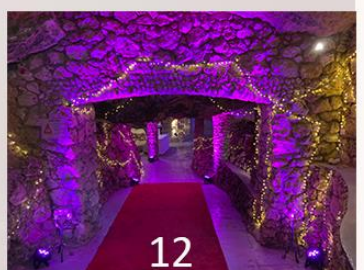

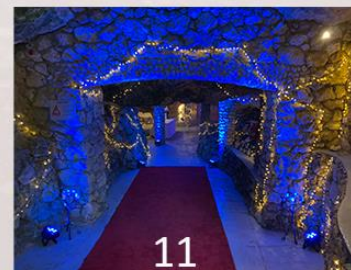

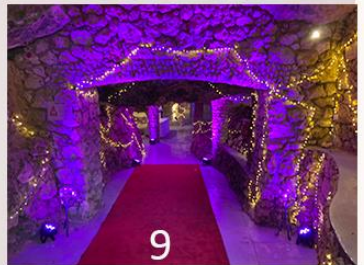

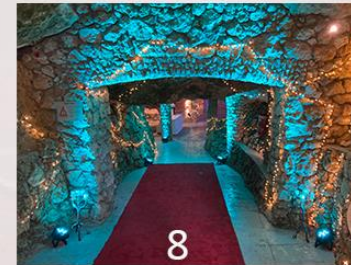

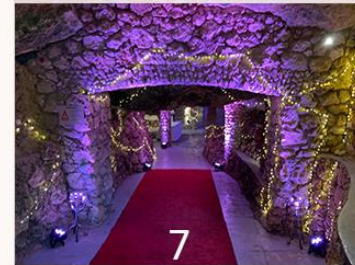

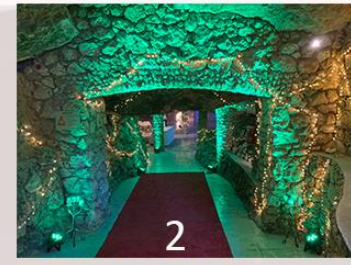

Up Lighting

For events looking to elevate the atmosphere, we highly recommend our Up Lighting Upgrade. These dynamic lighting setups transform an ordinary room into a colourful and **amazing** experience.

Quote:

\$200 x4 Up lights

\$380 x 8 Up lights

Smoke Machines

These upgrades help create a dynamic and immersive environment, perfect for making key moments like the first dance or entrance truly memorable.

1. Smoke Machine Upgrade

- 1 x Smoke machine

Quote: \$50

2. Vertical Smoke Machine Upgrade

(For an even more dramatic effect, placed on both sides of the DJ)

- 2 x Vertical Smoke machines
- Changing colours for added flair

Quote: \$100

Wireless mic

For events with formalities, we **strongly recommend** the **Wireless Microphone Upgrade**. This is perfect for speeches, whether it's a wedding, birthday, or corporate event.

Benefits:

- **Wireless:** Eliminate the cable from your photos and allow for freedom of movement.
- **Ideal for Speeches:** Perfect for events where speeches are held away from the DJ booth or for events with an MC.
- **Essential for Clear Audio:** Ensures speeches are heard clearly by all guests, even in larger venues.

\$50

DJ Booths / Facade

For events requiring a more professional look, we strongly recommend considering one of the following booth upgrades:

1. DJ Façade

- **Around the DJ:** A sleek, clean look that enhances the visual appeal of the DJ setup.
- **Perfect for Weddings and Corporate Events**
- **1 x DJ Façade booth in white**

Quote: \$150

2. DJ Booth

- **Booth around the DJ:** A more substantial setup for a polished, professional presentation.
- **Perfect for Weddings and Corporate Events**
- **1 x DJ booth (available in black or white)**

Quote: \$200

Wireless Speaker

For events requiring a **wireless speaker**, we strongly recommend the **Boss Speaker Upgrade**.

Features:

- **1 x Wireless speaker on stand:** Convenient and flexible for placement anywhere.
- **Battery powered:** No need for power outlets, making it ideal for outdoor or remote locations.
- **Perfect for Wedding Ceremonies:** Ideal for playing music during the ceremony or pre-ceremony in areas that are not near the DJ setup.
- **Perfect for Events with Multiple Areas:** Great for events needing music in a different room or outdoor space, ensuring consistent sound quality throughout.

\$350

MC Service

- For events requiring a professional structure we recommend the MC service.
- **Bridal Party Entrance Announcement:** Introducing your bridal party as they make their grand entrance.
- **Housekeeping:** Providing any important event details to guests, such as bathroom locations, dinner service, etc.
- **Facilitation of Speeches:** Managing the flow and timing of speeches throughout the evening.
- **Run Down of Formalities:** Making sure all formalities, like the first dance or cake cutting, are well-timed and executed.
- **Keeping Your Guests Informed:** Ensuring your guests are in the loop about what's happening next and any special moments.

- \$250

Fireworks/Cold Sparks

- Let's take your event to the next level with an **indoor fireworks (cold sparks) display**.
 - Each display is operated by a **professional attendant**, who will time and control the effects throughout your event.
 - **Safety is our number one priority**; all displays fully comply with WorkSafe requirements and venue policies.

Package Options

- **Basic Sparks Package**
2 × Spark machines, One-off display
Quote: \$700
- **Standard Sparks Package**
4 × Spark machines, One-off display
Quote: \$900
- **Additional Sparks Display**
Perfect if you'd like an extra moment (for example, during the cake cutting or a second entrance).
Quote: \$250 per additional display

Premium (Fireworks & Dancing on Clouds)

- Let's take your event to the next level with an indoor fireworks display and Dancing on Clouds for your first dance.
- This package is perfect for creating a truly unforgettable entrance and first dance moment.
- Premium FX Package (Fireworks + Cloud FX)
 - 2 × Spark machines for your entrance
 - 4 × Spark machines for your first dance
 - Dancing on Clouds effect for your first dance
- **Quote:** \$1,700 (including GST)

Early Setup/ Standby

- To ensure everything runs smoothly, we offer an equipment setup prior to guests arriving, with the DJ on standby during this time.

Details:

- **Setup:** DJ will arrive and set up 1 hour before the event starts.
- **DJ on Standby:** Ready to go once the event kicks off.
- **Capped at 3 Hours:** The fee covers setup and standby time before the event.

Quote:

\$150 per hour (capped at 3 hours)
