Welcome to All Occasions DJs & Event Entertainment

Our Simple Wedding Booking Process

We're here to make choosing your wedding entertainment simple, stress-free and exciting. From your first enquiry through to your wedding day, our experienced team will guide you every step of the way to ensure the music, energy and atmosphere are exactly what you've envisioned.

Step 1: Tell Us About Your Wedding

Fill out our contact form with some details about your wedding, including your date, venue, guest numbers and the type of atmosphere you're looking to create.

Step 2: Choose Your Package

Take a look through our wedding DJ packages and choose the option that best suits your wedding and entertainment needs.

Step 3: Let's Chat

Have questions or need some advice? Give us a call or send us a message. Our experienced team is always happy to answer your questions; offer recommendations and help you choose the right entertainment for your wedding.

Step 4: We Match You With Your DJ

Once you're ready to go ahead, we'll check the availability of our DJ team and match you with the right DJ for your wedding.

Step 5: Secure Your Wedding Date

We'll send through your invoice and booking details. Once your deposit is paid, your wedding date is officially secured.

You'll then receive our Wedding Music Planner, where you can provide your song choices for your ceremony, bridal party entrance, first dance, formalities and other special moments, as well as your dancefloor playlist and must-play songs.

Step 6: Finalise Your Wedding Details

As your wedding day gets closer, we'll make sure we have everything we need to create the perfect soundtrack for your celebration.

Step 7: Pre-Wedding Meeting

Around 1–2 weeks before your wedding day, we'll organise a pre-wedding meeting with you.

This is your opportunity to run through the final details; ask any last-minute questions and make sure everything is organised and ready for the big day.

Step 8: Let's Get Married! 🎉

The planning is done, now it's time to relax, celebrate and enjoy every moment.

We'll take care of the music, energy and atmosphere while you enjoy your special day!
